The Institute Overview

DmbH Institute of Medical Science (DmbHIMS) is one of the best pharmacy colleges in Eastern India, dedicated to provide quality education in the field of pharmacy profession. It is established in 2019 under the aegis of HajiMahammed Ali Mondal Educational & Socio-Welfare Trust.

Presently, DmbHIMS offers 04 years Bachelor of Pharmacy (B. Pharm) and 02 years Diploma in Pharmacy (D. Pharm) programs.

At DmbHIMS, we have good facilities of classrooms, well equipped laboratories and a library with large collection of selected books and journals, a beautiful garden with a large collection of medicinal plants. Moreover, we have a team of fully experienced faculty members who are adopting the best pedagogical approach for enhancing the technical skills and subject knowledge. The prime objective of our organization is to provide a competent pharmaceutical professional who will possess all the criteria i.e. sound knowledge in subjects, updated technical knowledge and good attitude. We assure that the education and skill that our students acquire from our institute would equip them to accept globally in diverse fields.

We are committed to provide the best resources and facilities to the students of our college so that they will always be a step ahead of their competitors. The institute is constantly striving to upgrade the quality of education by actively updating the pedagogy approach and skill development so as to remain always on the cutting edge.

Vision

To become a premier pharmacy institute of providing competent and socially responsive technocrats for the benefit of society and health care industries.

Mission

- ❖ To create an academic eco-system for the dissemination of technical knowledge, to enhance academic excellence.
- ❖ To nurture students with creative skills and leadership qualities, to meet the local and global challenges.
- ❖ To impart core ethical and moral values in students, to make them responsible towards society as a whole.

Quality Policy

- ❖ The DmbH Institute of Medical Science is committed to empower our students to meet global challenges in Pharmacy profession through excellence in education.
- ❖ Our highly qualified and committed faculty is constantly exploring newer frontiers of knowledge with intention to build quality pharmacist.
- ❖ We believe in honing the overall persona of our students through excellence in academic, co-curricular and extracurricular activities. We strive to develop a sense of social obligation and discipline among our students not only to make a better technocrat but also a better human being.

ADMINISTRATIVE DESK

We at DmbH IMS believe in the advancement and dissemination of knowledge that would serve the intellectual needs of citizens of the 21st century in a global economy. We believe that knowledge acquired should be applied to contribute to the well-being of humanity and that our students should lead productive, responsible & meaningful lives.

It is this vision which guides the vibrant campus, community of students and faculty alike and spurs them to constantly raise the bar of academic standards. Quality, creativity, openness & diversity encourage all of us to aim higher to realize our ideals & aspirations.

Haji Mohammed Ali Mondal
Chairman

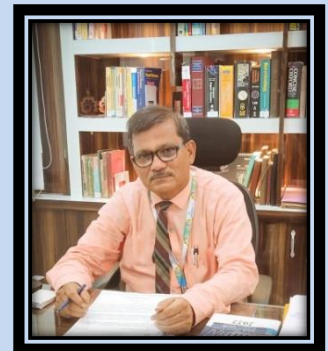

Dear Friends, "Pursuits of excellence demands unconditional commitment and fullest of dedications while at the same time playing greatest attention to minutest details". Whole world is changing, globalization is the new mantra, new technology is evolving and innovation is the today's requirement. In such a scenario an educational institution has a profound role to play in strengthening the youth of today, in turn the society and the nation. We are hopeful that DmbH institute of Medical Science will transform the students in to learned, enlightened and dynamic young professionals, ready to face the challenges of society and industry and add to the growth and prosperity of the nation.

I welcome you to join in this great this great endeavor of shaping this institution and I humbly solicit your generous support and good wishes.

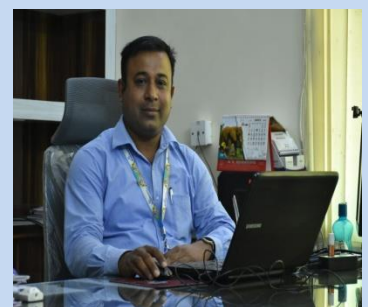

Mr. Wasim Akram Mondal
Secretary

The district Hooghly has a rich heritage from time immemorial. Before the inception of the British in Calcutta, a couple of European countries started their establishment in the eastern part of this district keeping the mark of signature of their Education, Culture, Art, Architecture and Craft. Now inheriting the heredity of those foreigners for more than three centuries together with the modern India's embossed finger-print, we will have to do a lot of attempts and endeavours for the development of the district. Since the index of development of any nation is equated or measured with its upgraded position in Health we are giving emphasis on this education. The fact is that the total Pharmaceutical Arena in India is in a very remarkable position and by virtue of that our Hon'ble Chairman Sir and Hon'ble Secretary Sir have incepted this institution which needs the colossal cooperation of all of us to reign with majesty.

Prof. (Dr.) Madhusudan Ghosh
Director (Academic)

As the principal of this esteemed institution, it gives me a great pleasure to welcome all the students at DmbH Institute of Medical Science. We are delighted to have you join us and be a part of our diverse and vibrant community. Our institution is renowned for its academic excellence, and we are committed to providing our students with the best suited teaching learning experience. This institution is running with both B. Pharm and D Pharm programmes. We hope that you will take the full advantage of the opportunities and resources available to you and graduated with the best outcome. Our dedicated faculty members and staffs are here to support and mentoring you towards achieving your goals and realizing your full

potential. As you embark on this new journey, I urge you to embrace new challenges, explore your interests, and strive for personal and professional growth. We are confident that with your hard work and dedication, you will make us proud and contribute positively to our college community. Once again, I welcome all of you to our college, and we wish you all the best for a fulfilling and successful academic journey ahead.

Prof. (Dr.) Sanjay Dey
Principal

DmbIMS @ Glance

- ❖ Imparts education in Graduate (B. Pharm) and Diploma (B. Pharm) level of studies.
- ❖ All the programs are approved by the Pharmacy Council of India (PCI), New Delhi.
- ❖ The institute is recognized by Department of Higher Education, Government of West Bengal.
- ❖ The institute is affiliated to Maulana Abul Kalam Azad University (MAKAUT) & West Bengal State Council of Technical and Vocational Education and Skill Development (WBSCTVESD).
- ❖ All the laboratories are well equipped with latest sophisticated and modern instruments.
- ❖ The college library has rich collection of books and journals.
- ❖ The institute provides excellent environment for Co-and-extra-curriculum.
- ❖ All concerned segment of the DmbHIMS family, be they the students, faculty or staff, are keen in their quest for seeking excellence in pedagogy, research and corporate living.

Why DmbHIMS?

DmbHIMS provides Value Based Education with Clarity in Objective and Transparency at all Levels.

Academic Excellence

- Serene & positive learning environment
- Robust academic program
- Periodic review of performance
- State-of-art infrastructure
- Special care to slow learner
- Laboratories with sophisticated instruments
- Experienced & dynamic faculty members
- Enriched library

Professional Enrichment

- Stimulate intellectual growth to crack various competitive exams.
- Grooming classes
- Career counseling
- Special care to enhance communication skills
- Series of Guest lectures by industry experts

Skills Enhancement

- Entrepreneurship cell
- National Service Scheme
- Woman Empowerment program

Economical Support

- Assistance for Government Scholarship
- Student credit card facility

Individual Consideration

- Mentor-Mentee system
- Slow & Advanced Learner policy
- Anti-ragging cell
- Alumni cell
- Internal complaint cell

Support System

- Training & Placement cell
- Industrial & Hospital visit
- Internship, training & field visit
- MoU with esteemed pharmaceutical organization

Co- & Extra-Curricular Activity

- State/National level activities like conference, workshop, etc.
- Celebration of special day/week
- Sports activities
- Out-reach program
- HOPE Annual Fest

Programs offer

B. Pharm

- Duration: 04 Years / 08 Semesters
- Affiliated to **Maulana Abul Kalam Azad University (MAKAUT)**

B. Pharm (Lateral)

- Duration: 03 Years / 06 Semesters
- Affiliated to **Maulana Abul Kalam Azad University (MAKAUT)**

D. Pharm

- Duration: 02 Years
- Affiliated to **West Bengal State Council of Technical and Vocational Education and Skill Development (WBSCTVESD)**

Eligibility Criteria

B. Pharm	<ul style="list-style-type: none"> • The applicant must be a citizen of India • Candidate must have passed H.S.(10+2) examination with Physics and Chemistry along with any one of Mathematics / Biotechnology/ Biology / Computer Science /Computer Application as compulsory subjects with individual pass marks (in both theory and practical wherever applicable). • Must have obtained at least 45% marks (40% in case of candidates belonging to reserved category) in the above three subjects taken together. • Must have passed English in the H.S. (10+2) examination. • The Board of the said Qualifying Examination must be recognized by the Central Government or State Government concerned. • Candidate will have to qualify at the WBJEE or JEE (Mains) on the year of admission.
B. Pharm (Lateral)	<ul style="list-style-type: none"> • Citizens of India • No upper age limit for Diploma holders in Pharmacy • The candidate must pass Diploma in Pharmacy from PCI approved Institution with at least 45% (40% for SC/ST/OBC-A/OBC-B/PwD) marks or equivalent CGPA. • Candidate should qualify JELET on the year of admission. • Should be able to produce Pharmacist Registration Certificate within one month of admission.
D. Pharm	<ul style="list-style-type: none"> • Candidate should have passed Higher Secondary (10+2) or its equivalent examination with Physics, Chemistry & Biology or Mathematics. • Candidate shall complete the age of 17 years on or before 1st January of the year for admission to the Pharmacy Course.

Programme Objectives

- ✚ To provide technical expertise along with the ability to demonstrate core competence for analysing and problem solving in multiple pharmaceutical aspects.
- ✚ To make awareness about the rapidly changing, pharma industry profession along with the emerging areas of science and technology.
- ✚ To inculcate the attitude, ability to observe, for research and experiment to discover the solution.
- ✚ To train and develop students as techno managers, self-motivation, working teamwork leadership and proactive to be successful in profession and organization.

Program Educational Objectives

- To equip students with robust theoretical knowledge along with necessary application based expertise which can be applied in pharmaceutical industry, research & development, hospitals and in academia.
- To provide responsible pharmacists to serve the need of society for medication to achieve optimal therapeutic outcomes.
- To inculcate leadership qualities, entrepreneurial mindset, consciousness of professional ethics, team spirits and communication skills.

Programme Delivered

- Teaching learning with digital Classroom.
- Industry, Hospitals, Laboratory and field visits
- Participation in National & International Seminars & Conference, Webinar & Guest Lectures.
- Active learning Pedagogy involves problem based learning & Project based learning approach.
- Mentor mentee system.
- Hands on training in highly advance instrument lab.
- Soft skills & Life skills training.
- Training on personality development & Interview techniques.
- Slow & Advances learner policy.
- Publication of Research & review article, Presentation of poster, Book & Book Chapter, Patent filling & Grants.

Admission Process

Documents to be Bought During Admission

The candidate will bring the original documents as mentioned below and the fee for admission.

- Admit card/certificate of respective board showing the candidate's date of birth/age (original + two Xerox copies)
- Admit card of WBJEE/JEE (Mains)/ Common Entrance Test for Diploma original + two Xerox copies

- Mark-sheet of 10 and 10+2 examination (original + two Xerox copies)
- 8 copies of stamp size coloured photograph
- A recent certificate showing the powers of glasses for the candidates wearing glasses
- Required amount of fee to be paid as fee for admission
- Migration Certificate (those who are already registered in any University/Board other than WB Council)
- Registration Certificate (Original) for B.Pharm passout of MAKAUT, WB and two xerox copies.
- Character Certificate from the head of the institution last attended
- Allotment Letter of WBJEE/WBSCT & VE & SD for Centralized Counseling allot candidate.
- Aadhar card Original and Two xerox copies.

Wealth of Knowledge

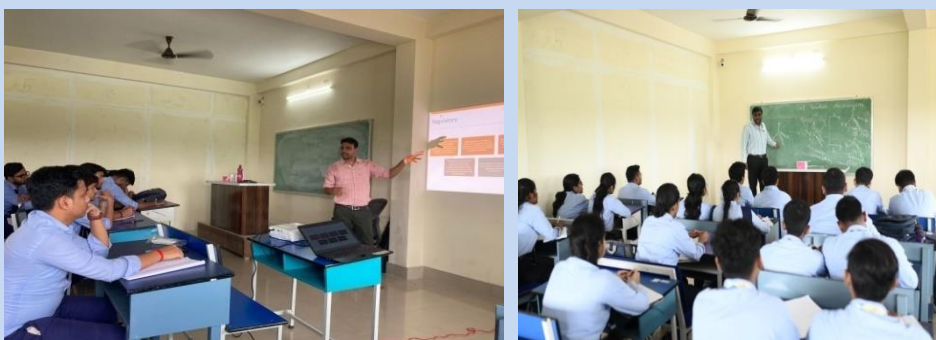

The DmbHIMShas a spacious library and open to students and staff members from 09:30 a.m. to 05:30 p.m. on all working days. The library has rich collection of 705 Nos. of titles and 4289 Nos. of volumes of text and reference books. The library has subscription of 254 pharmaceutical journals. Previous journals issues were preserved for future referencing. There are separate sections of library viz. reprographic facility, stacking/reference area, journals section and spacious reading hall. All the books are segregated subject wise and shelved in the suitable labelled cupboards. Koha software is integrated as library automation management software. On line platform OPAC facility is provided to find out the access of books and journals in the library by the students.

Campus Facilities

Class room

The class rooms are well ventilated, airy and spacious and are fitted with sufficient fans. Each class rooms have enough windows to maintain horizontal flow of air from one side to another side. The window panes are fitted with glass films for light adjustment. The classrooms are painted with light colors. The sufficient numbers of benches with desks are provided to accommodate 60 students in a class. Each class room of the institution is equipped with required academic aids for engaging the students in their academic activities. The class room of the institution is designed to get unhindered view of the faculty members and teaching aids from all sides.

Laboratories

DmbH Institute of Medical Science provides state-of-art laboratory facilities for enhancing conducive teaching - learning and research culture. The institution makes available sufficient infrastructure, equipments, computing facility as per requirements of various apex bodies like PCI, MAKAUT, WBSCT&VE&SD to enhance the practical skills of the students and always upgrade it as necessary. Total 12 laboratories with adjacent preparation rooms are available in three floors in the institution. In addition, Central Instrumentation room, Machine room and Aseptic room are also furnished with well equipped sophisticated instruments and pilot scale machinery generally available in pharmaceutical industries. All amenities / utilities such as gas supplies (compressed LPG, water) are provided maintaining all safety norms and 24×7 power supply are available in laboratories. The special attentions have been given on safety of students through installation of safety measure devices and fuming cupboard for handing of hazardous chemicals during experiments.

Hostel Facilities

- On campus separate hostel facilities for boys and girls.
- Rooms are well ventilated with bed, table, chair, fan and almirahs. Internet Wi-Fi facility.
- Exclusive uninterrupted study room for students after college hours
- Mineral water provided to all the rooms
- Basic recreation and sport facilities
- Provides hot water during winter session
- Aqua guard RO system chilled water is provided for drinking purpose.
- The mess with large sitting capacity provides nutritious and delicious food at reasonable rate.
- Overall these hostels are as cozy as your home.

Canteen

- The college canteen is most happening place in the campus.
- Snacks and other refreshments are available at reasonable rate.
- Every food item is made in refined oil and a special care of hygiene is taken care by the entire staff of canteen which is confirmed by college committee.

Playground & Sports

- The College has a spacious ground for outdoor sports, with the ground being modified for specific sports. The students can avail various facilities in sports like cricket, swimming, and badminton.
- For indoor games we have a facility for table tennis, carom, badminton and chess.
- The open ground is used for kho-kho, kabaddi, volleyball, basketball, football, and cricket.

Transportation

- Transport facilities are organized directly from the nearby station to college at subsidized rates.
- Transportation is also organized for the events such as Industrial visits, study tours, etc.

Digital World

Computer center occupying an area of 75 sq. m serve as a central internet facility for all student. The state of the art computer laboratory is committed to provide un-interrupted internet facility is achieved via 120 mbps leased line. It is equipped with latest core quad computers having legal operating system.

Wi-Fi Campus: Wireless terminals are available at various locations in the institution to access internet on their laptop, Tablets and other electronic devices.

Smart Class Room: Experts talks are arranged on regular basis through video conferencing

R&D Efforts

The institute gives top priority to research and development activities. The faculty members are encouraged to get involved in research. They are given infrastructural support in the form of books, journals, laboratories and equipments for research. The main purpose of these initiatives is to enhance the in-depth knowledge of faculty and students. Both faculty and students in a team engaged in research work for betterment of society by development of innovation in the pharmacy field.

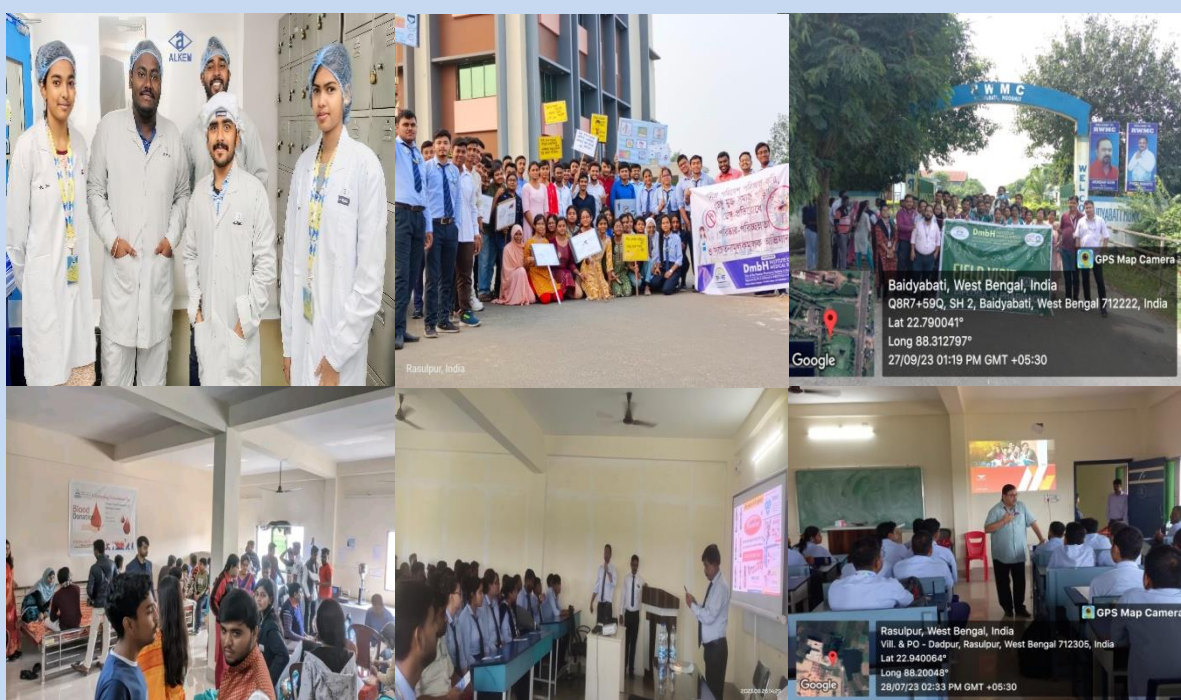

Beyond Academics

Industrial Training: Industrial training is an integral part of B. Pharm of course curriculum and DmbHIMS provides the opportunity to its students to acquire hands-on-training experience from pharmaceutical industries like: Alkem Pharmaceuticals, Macleods Limited, Torrent Pharmaceuticals, Sun Pharma, etc.

Dengue Awareness Program & Blood Donation Camp: Being a responsible institute towards society for healthy living, institute has organized as awareness program, blood donation camp, etc at regular intervals.

Field Visit: As an integral part of D. Pharm course curriculum the institute has been organized field visit at regular intervals to acquire updated in-depth knowledge of different practical aspects.

Entrepreneurial Activity: The institute has been organized various sessions to inculcate the entrepreneurial mentality among the students.

Sports Activities

The institute provides the best facilities with quality sports equipment (indoor and outdoor) within the campus. The institute is sincerely promoting sports activities by organizing various competitions. The institute organizes various sports events annually to promote sportsmanship, team spirit, coordination skills etc. amongst the students. Prizes and certificates are given to acknowledge the talents of the students.

Scientific Seminars

- ◆ The institute has organized National Conference on Renaissance in Healthcare Management and Tools for Navigating the Future on 18th and 19th April, 2024.
- ◆ Mr. Sayantan Ghosh, Clinical Pharmacologist, Department of Clinical Pharmacology, MedicaSuperspeciality Hospital delivered talk on Clinical Research and its Role in Patient Centric Care on 22nd September, 2023.
- ◆ Mr. Sudip Ata, Senior Proposal Manager, Paraxel delivered a speech on Introduction to CRO on 01st September, 2023.
- ◆ Guest lecture on Unravelling Career Opportunities of Pharma Graduates in Pharmaceutical Industry by Industry Experts from MendineErythronetPvt. Ltd., Kolkata on 26th September, 2023.

Link with Industry and Academia

- The institute has signed MoU with National Entrepreneurship Network (NEN) to inculcate the entrepreneurial mentality among the students.
- The institute has signed MoU with Arka Jain University, Jharkhand for faculty/student exchange and research collaboration.

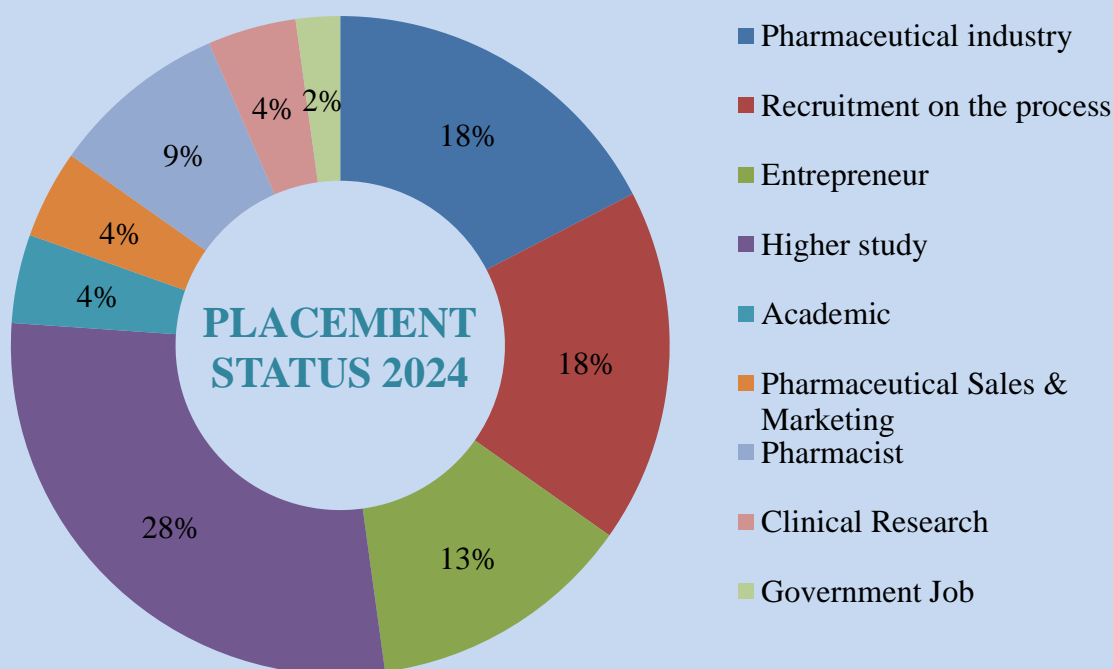

Training & Placement

Fresh Pharmacy Graduates from DmbHIMS campus have repeatedly proved their worth in the industry. They have been placed in a range of organization in diverse functional roles. Some of the recruiters are:

Placement Status

Scholarship

The college provide financial assistance through:

- ✓ Swami Vivekananda Scholarship, Government of West Bengal
- ✓ Aikyashree Scholarship, Government of West Bengal
- ✓ Student Credit Card, Government of West Bengal
- ✓ SC/ST Scholarship, Government of West Bengal
- ✓ Tuition Fee Waiver Scheme
- ✓ All other Government of West Bengal and Government of India Scholarship as per eligibility criteria of each Scheme
- ✓ Provided all supports for Bank Loan

Life at DmbHIMS

Career prospects for B.Pharm

Testimonials

DmbH Institute of Medical Science has high end infrastructure which helps us to pursue our regular activities as well as establish a safe environment for learning. The laboratories are furnished with sophisticated instruments that helps us to improve our skills as per industry demands.

Nakshatra Roy, B.Pharm, 2021-2025 Batch

DmbHInstiute of Medical Science has high end infrastructure which helps us to pursue our regular activities as well as establish a safe environment for learning. The laboratories are furnished with sophisticated instruments that helps us to improve our skills as per industry demands.

SunitaDhan, B.Pharm, 2022-2026 Batch

As students, we are fortunate to have exceptional faculty members who continuously inspire and guide us on our academic journey. These professors not only possess extensive knowledge and expertise in their respective fields, but they also have a passion for teaching and a genuine interest in their students' success. Their dedication to provide a high-quality education is truly commendable, and we are grateful for their tireless efforts.

AranyakMahapatra,B.Pharm, 2022-2026 Batch

From their engaging lectures and thought-provoking discussions to their valuable mentorship and support, our faculty members have left a lasting impact on us. They challenge us to think critically and push us to reach our full potential, always encouraging us to pursue our passions and explore new opportunities. Their commitment to excellence has motivated us to strive for greatness and has shaped us into well-rounded individuals ready to take on the world.

Oindrila Chatterjee, B.Pharm, 2021-2025 Batch

We are proud to have such amazing faculty members who not only teach us academics but also impart invaluable life lessons that will stay with us long after we leave the classroom.

Mayurakshi Chowdhury, B.Pharm, 2022-2026 Batch

I am really thankful towards our college and placement cell, for supporting and providing us opportunities to learn interview skills, communication skills and guiding us in placements. The staff was supportive and informed us with enough notice regarding every placement drive. I am grateful to have such a good Training and Placement cell who helped me to achieve placement at Macleods Pharma Ltd.

Mr. Aziz Sk, B.Pharm, 2021-2024 Batch,

Life at DmbH Institute of Medical Science have been excellent. The years spent here have been full of learning opportunities that were full of fun and frolic and sometimes with academic grind that one has to go through. Apart from our curriculam, we get the exposure to pursue our interests in extra- curricular activities through several programs like Teachers day, Freshers, Sports and Fests,

Shiny Sheikh, B.Pharm, 2022-2025 Batch

With the help of Training and Placement cell of DmbH Institute of Medical Science, I got an exposure for three month internship program at MedicaSuperspeciality Hospital as in the Clinical Pharmacist department. I not only got the opportunity to have hand-on experience in several techniques like drug monitoring, wards visits and chemomixing but also learned the skills required to face the challenges of the corporate world.

**Mr. Bishal Roy Chowdhury, B.Pharm, 2021-2024
Batch,**
